

- Universal mounting kit
- Metal housing
- Sealed design

This **mounting box** is designed for IP cameras.
Universal mounting kit makes it possible to install different types of IP cameras (dome, bullet). Sealed aluminium housing provides reliable protection for cables and connections against external influences (dust, moisture, vandalism).

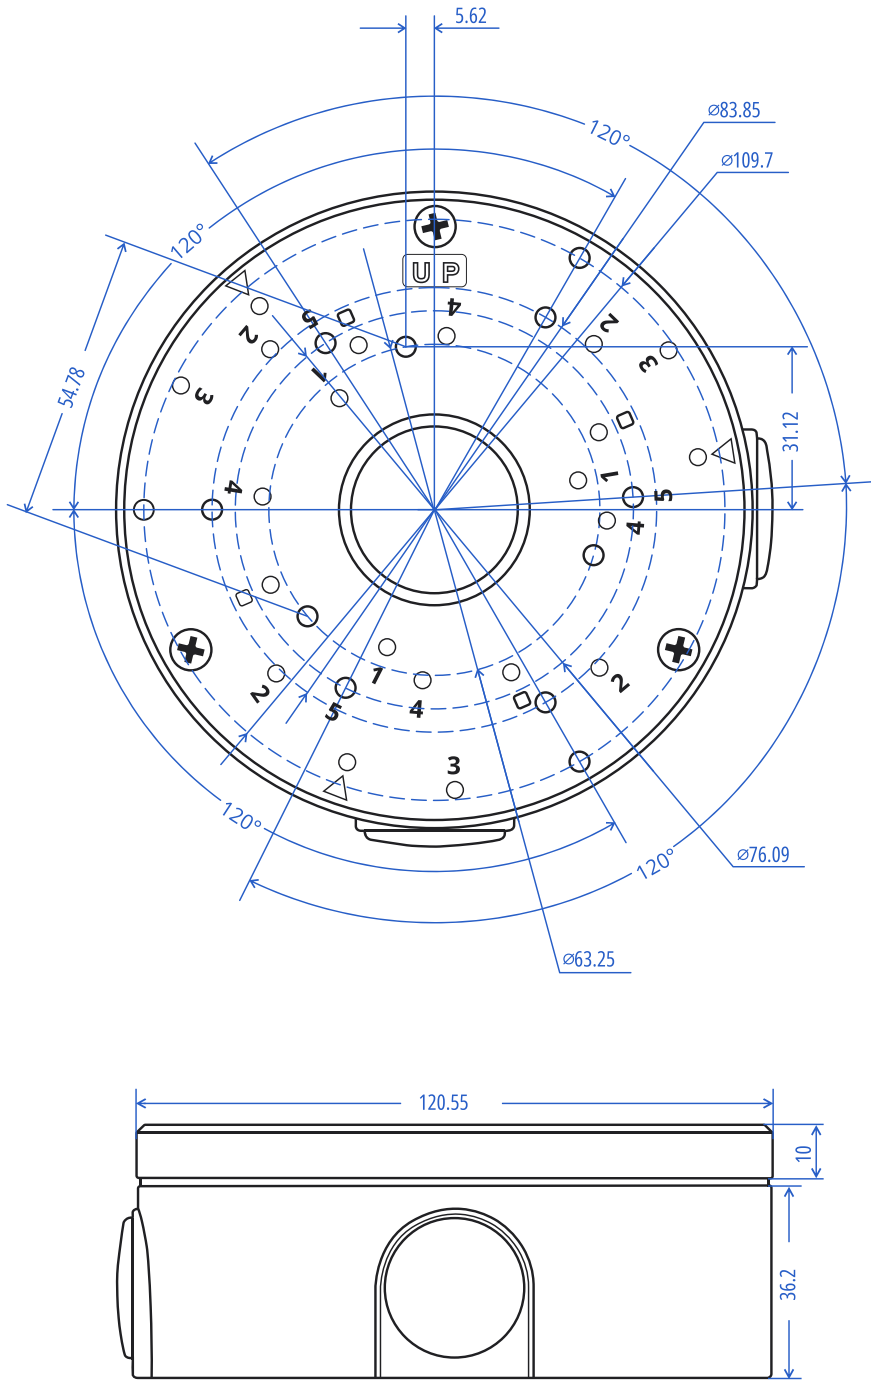

Technical features

Physical parameters	
Color	white
Housing	aluminium alloy
Size (Diameter × Height)	121 × 47 mm
Weight	0.315 kg

Installation recommendations

- The mounting box is designed for installation on a wall or ceiling.
- The wall must be able to support the combined weight of the camera, mounting box, and mounting kit multiplied by 3.
- The maximum load on the mounting box bracket is 4.5 kg.
