

- Wireless lighting control
- 2 managed channels
- Easy installation for rooms with standard electrical wiring

SW-RLY02 is a wireless Wi-Fi relay designed to control lighting units in a 230 V AC electrical network. The device connects to the home router's Wi-Fi network and interacts with the Eltex Home application from anywhere in the world.

The relay supports operation with both incandescent lamps and LED lighting sources.

The device is housed in a compact plastic case, allowing installation in distribution boxes under the ceiling or in the wiring space for lighting units.

Eltex smart home

SW-RLY02 is part of the Eltex smart home ecosystem based on ELIS (Eltex IoT System). The user manages smart devices and sensors via the smart home hub using iOS or Android mobile device with Eltex Home application installed. It can be downloaded from the App Store and Google Play or via the QR code below. The application is also available in the RuStore and Huawei AppGallery.

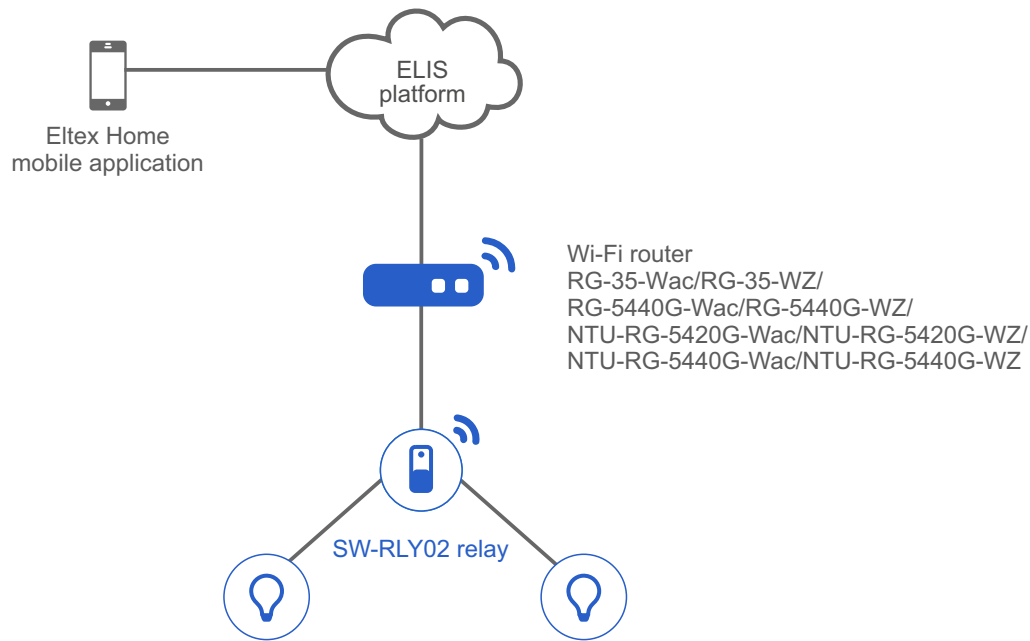

SW-RLY11 belongs to the Management service of the Eltex smart home ecosystem.

Technical features

General parameters

WLAN	IEEE 802.11b/g/n 2.4 GHz
Input voltage	230 V
Connection type	with neutral line
Number of channels	2
Maximum load per channel	800 W
Maximum LED load per channel	100 W
Maximum current per channel	3.5 A (resistive load)
Dimensions (W × H × D)	43.5 × 18 × 43.5 mm
Weight	0.034 kg
Ingress protection	IP30
Operating temperature	from +5 to +45 °C

Use case

Scenarios

With the Eltex Home application, it is possible to create chains of conditions for smart Wi-Fi devices and Z-Wave sensors to work together. For example, SW-RLY01 can be used in the following scenarios:

1. Notifying the user when the smart relay is switched on and off

2. Switching the light on/off by schedule

3. Switching the light on/off when the motion sensor is triggered

4. Switching the light on/off when the door/window sensor is triggered

Ordering information

Name	Description
SW-RLY02	Smart Wi-Fi relay with neutral line, IEEE 802.11b/g/n 2.4 GHz, 2 managed channels
Licenses	
Eltex ELIS-1	Eltex SC option, package for 1 device, 1 year
Eltex ELIS-100	Eltex SC option, package for 100 devices, 1 year
Eltex ELIS-500	Eltex SC option, package for 500 devices, 1 year
Eltex ELIS-1000	Eltex SC option, package for 1000 devices, 1 year
Eltex ELIS-1500	Eltex SC option, package for 1500 devices, 1 year
